

The Property Solutions Provider

## COMPANY PROFILE

THE PROPERTY SOLUTIONS PROVIDER

### About Us

Realtisan is an exemplary, professional real estate firm located in Sydney, Australia. It advocates honesty, dedication and an elite culture to provide real estate solutions and related professional services to our clients. Researching and analysing in Sydney real estate market and other cities in Australia is Realtisan's expertise.

We have provided buying and selling real estate services for 1720 clients during the last 7 years since 2015 that Realtisan was established. Our professional services include the sale of existing properties, off the plan project marketing, house & land packages marketing, now extend to development land sale, land acquisition consultant service and joint venture developments. We are building a solutions-oriented real estate experience for buyers, sellers, builders and developers. We aim to deliver our profession, reputation and promise to our partners, clients and team members.

All-aspects real estate based services from Realtisan are proudly supported by our well trained and qualified multilingual property solution consultants and employees. We can speak English, Mandarin, Cantonese, Spanish, Indonesian, Korean and Japanese. Our services and solutions have been recognised and praised by many of our valuable clients and partners. We attach importance to building our reputation and keeping our company sustainable to reach professional property solutions to more diverse communities.
